We hereby approve the release of EU Emission Allowances deposited at the ECC Collateral Registry Account as entered by the above-mentioned Non-Clearing Member as follows:

Number of certificates (minimum 500 EUAs or a multiple thereof)

to the following registry account of the Applicant

or

to the ECC registry account EU-100-5016813-0-69 for delivery obligations towards ECC

We are aware **to provide sufficient replacement collateral** in a form accepted by ECC for margining purposes (cash, securities) is deposited at ECC by the Clearing Member before the release can be carried out.

As cooperating Clearing Member of the above-mentioned Non-Clearing Member **we agree to release the EU Emission Allowances** from our share in Collective Holdings in the Collateral Registry Account by signing this form below.

We acknowledge, that our approval shall be effected without undue delay (**until 12:00 CET of the next ECC Business Day**) and may only be refused by us if margin requirements to be newly determined after delivery as well as open claims of us vis-à-vis the above-mentioned Non-Clearing Member remain uncovered by remaining collateral held by us.

This document shall be governed by the laws of Germany.

On behalf of the cooperating *Clearing Member*:
