# Preliminary remark

With this form you are applying for approval as a Trading Participant in Serbian Power Spot Contracts (Contracts at the Day-Ahead Market and Intraday Market) at European Commodity Clearing AG (ECC) in accordance with the Clearing Conditions of ECC.

The physical settlement of Serbian Power Contracts will be effected by European Commodity Clearing Luxembourg S.a.r.l. (ECC Lux) a subsidiary of ECC. Both ECC and ECC Lux will be mentioned in this form as ECC.

Approval as a Trading Participant requires:

- (a) participation in clearing as a Clearing Member or Non-Clearing Member for the market, where the respective product is being traded,
- (b) admission as an exchange participant at the market or a comparable and by ECC as equivalent acknowledged access to the market, where the respective product is being traded,
- (c) proof of the capability for physical settlement at the Serbian transmission grid by means of the nomination of a 3rd party with a balance area agreement with Elektromreža Srbije (EMS),
- (d) the declaration of consent of the owner of the balance area agreement to use its balance area agreement for physical settlement.

Approval involves the following steps:

1. Please fill in the application form for approval as a Trading Participant. Both you and the nominated owner of the balance area agreement shall sign the application form in a legally binding manner.
2. Send this application in scanned version to the following E-Mail address:

MemberReadiness@ecc.de  
Phone: +49 341 24680 261

3. ECC shall decide on the application regarding approval as a Trading Participant and inform the applicant as well as the South East European Power Exchange (SEEPEX) thereof.

# Application

We hereby apply for approval as a Trading Participant in the Products according to the Clearing Conditions of ECC.

The use of the balance area agreement mentioned above for the physical settlement of our transactions in Serbian Power Spot Contracts shall take effect:

- as of the next delivery date possible
- as of delivery date \_\_\_\_\_

The applicant may terminate the use of this balance area agreement at the end of a calendar month with a notice period of 5 business days.

## VAT Details

VAT details are only required if a classification for the purpose of VAT treatment hasn't taken place previously or these classifications are not relevant for deliveries of electricity at the Serbian transmission grid. We have attached the form TP07 "VAT Details" with this application if applicable.

# Declarations by the Trading Participant

1. We hereby assure that we will acknowledge and observe the rules and regulations of ECC (in particular the Clearing Conditions) and the rules and regulations of SEEPEX in their respectively valid versions.
2. We recognise that in the case of mismatches between schedules nominated to EMS the schedules nominated by ECC are binding. Any imbalances between the binding schedules nominated by ECC and the amount of electricity actually injected or withdrawn shall be borne by us.
3. If EMS rejects the schedules nominated by ECC for the physical settlement of our transactions in Serbian Power Spot Contracts, because the nominated owner of the balance area agreements failed to provide the capability for physical settlement according to EMS terms and conditions, we will hold ECC harmless from any damages caused by this rejection.
4. We assure that we will inform ECC immediately with regard to the loss of the proof of the capability for physical settlement. This shall apply especially in the case of the loss of a balance area agreement of the nominated third party or the revocation of its consent to use its balance area agreements for physical settlement of our transactions in Serbian Power Spot Contracts.
5. We hereby declare our consent for the forwarding of information by ECC regarding physical delivery to SEEPEX and to EMS.

The terms and conditions and conditions as laid down in the respective documentation for SEEPEX are subject to the already agreed but not yet implemented changes to the Serbian grid code and changes to the Serbian energy law to be undertaken for the establishment of the power exchange, If the changes should not be implemented in the envisaged way the documentation will have to be adopted accordingly.

## Declarations by the appointed 3rd party

1. We give our consent, that our balance area agreement will be used for the physical settlement of the Trading Participant's transactions in Serbian Power Spot Contracts, in accordance with the Clearing Conditions of ECC and the rules and regulations of SEEPEX. We may revoke this consent at the end of a calendar month with a notice period of 5 business days.
2. We recognise that in the case of mismatches between schedules nominated to EMS, the schedules nominated by ECC are binding and we will take all measures required, in particular the correction of our schedules, in order to match the schedules nominated by us with the binding schedules nominated by ECC.
3. If EMS rejects the schedules nominated by ECC for the physical settlement of the Trading Participant's transactions in Serbian Power Spot Contracts, because we failed to provide the capability for physical settlement according to JP EMS Beograd terms and conditions, we will undertake appropriate actions to solve the cause of the rejection immediately after being informed.
4. We assure that we will inform ECC immediately with regard to the loss of the proof of the capability for physical settlement. This shall apply especially in the case of the loss of a balance area agreement.
5. We hereby declare our consent for the forwarding of information by ECC regarding physical delivery to SEEPEX and to EMS.
6. We hereby authorise EMS to inform ECC with regard to our balance area agreement and about the status of our nominated schedules and deliveries.

The terms and conditions and conditions as laid down in the respective documentation for SEEPEX are subject to the already agreed but not yet implemented changes to the Serbian grid code and changes to the Serbian energy law to be undertaken for the establishment of the power exchange, If the changes should not be implemented in the envisaged way the documentation will have to be adopted accordingly.
